

Choosing ONPOW Winning the tomorrow

ONPOW PUSH BUTTON MANUFACTURE CO.,LTD.

Add: No.25, Shangpu 2nd Road, Qiligang Industrial Zone YUEQING 325619 ZHEJIANG CHINA

Website: <https://en.onpow.com/>

ONPOW 商标释义 Brand paraphrase

谐音公司中文名“红波”

Similar pronunciation with Chinese company name “红波”

ON+POWER=ONPOW

“ON” 表示控制、开启，“POW” 代表“POWER”，表示动力、电力，寓意ONPOW是一个专业致力于动力控制的品牌。

“ON” means control and open. “POW” represents “POWER”, means power and electricity. “ONPOW” indicates that it is a brand specialized in the control of motive power and electricity.

ONPOW New Factory

4

Covers an area of five acres, started in 2015 years and finished in 2017

ONPOW, founded in 1988, is the most professional Push Button manufacturer with ISO9000 management system certification in domestic.

We have over 30 years history in producing and developing the pushbutton switches and indicators and keep developing 1~2 new series production each year. Now, we have about 40 series pushbutton switches and more than 40 patents.

No matter which series you choose, all of our switches offer advanced design, quick break contacts, a self-cleaning feature and high reliability. Furthermore, they have long lives, durable and easy to install. And we have obtained a number of certification certificates including CCC, CE, and UL.

Based on is the Corporate Values of "Integrity, innovation, absorption, collaboration" , we focus on enhancing the intangible assets. What we seek after is satisfying our customers' needs. So we always keep the company at its best in perseverance by transmission in market. With the expansion of the international market, we swear to be the global leader in the industry of switch.

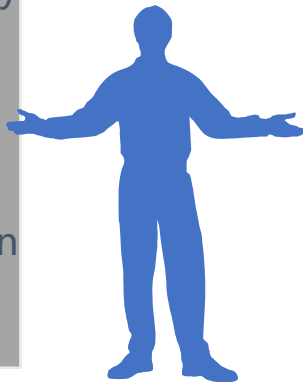

Corporate Values

Absorption: profession, concentration, and with highly effective execution
